The Stage 1 Dashboard

As shown in the figure below, The Stage 1 dashboard provides:

A summary of the number of Need Statements at Stage 1 with various states:

Incomplete. A Need Statement has been created but has Confidence Scoring Information missing.

Partially Complete. A Need Statement that has a Confidence Score, but where there is no Evidence Score recorded.
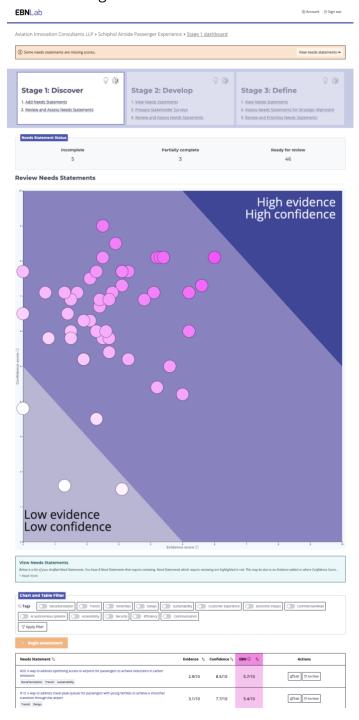

Ready to Review. A Need Statement which has both a confidence and evidence score.

A Graph showing each need Statement mapped out by Evidence Score and Confidence Score

Clicking on any of the circles provides access to that Need Statement

A Filtering Mechanism to view the chart and Need Statement List filtered by Tag (N.B.) Multiple filters work on an 'and' not 'or' basis.

A Listing of all the Need Statements allowing you to sort by the different scores, tags and edit an individual Need Statement

A Summary of the **recent activity** on Need Statements at Stage 1.
